Republic of Indonesia**

# **PRIORITY PROGRAMS OF SPECIAL REGIONS IN INDONESIA**

**DR. IR. SUPRAYOGA HADI, MSP ([yogahadi@gmail.com](mailto:yogahadi@gmail.com))**

**DIRECTOR GENERAL OF SPECIAL REGION**

**MINISTRY OF VILLAGE, DISADVANTAGED REGION, AND TRANSMIGRATION**

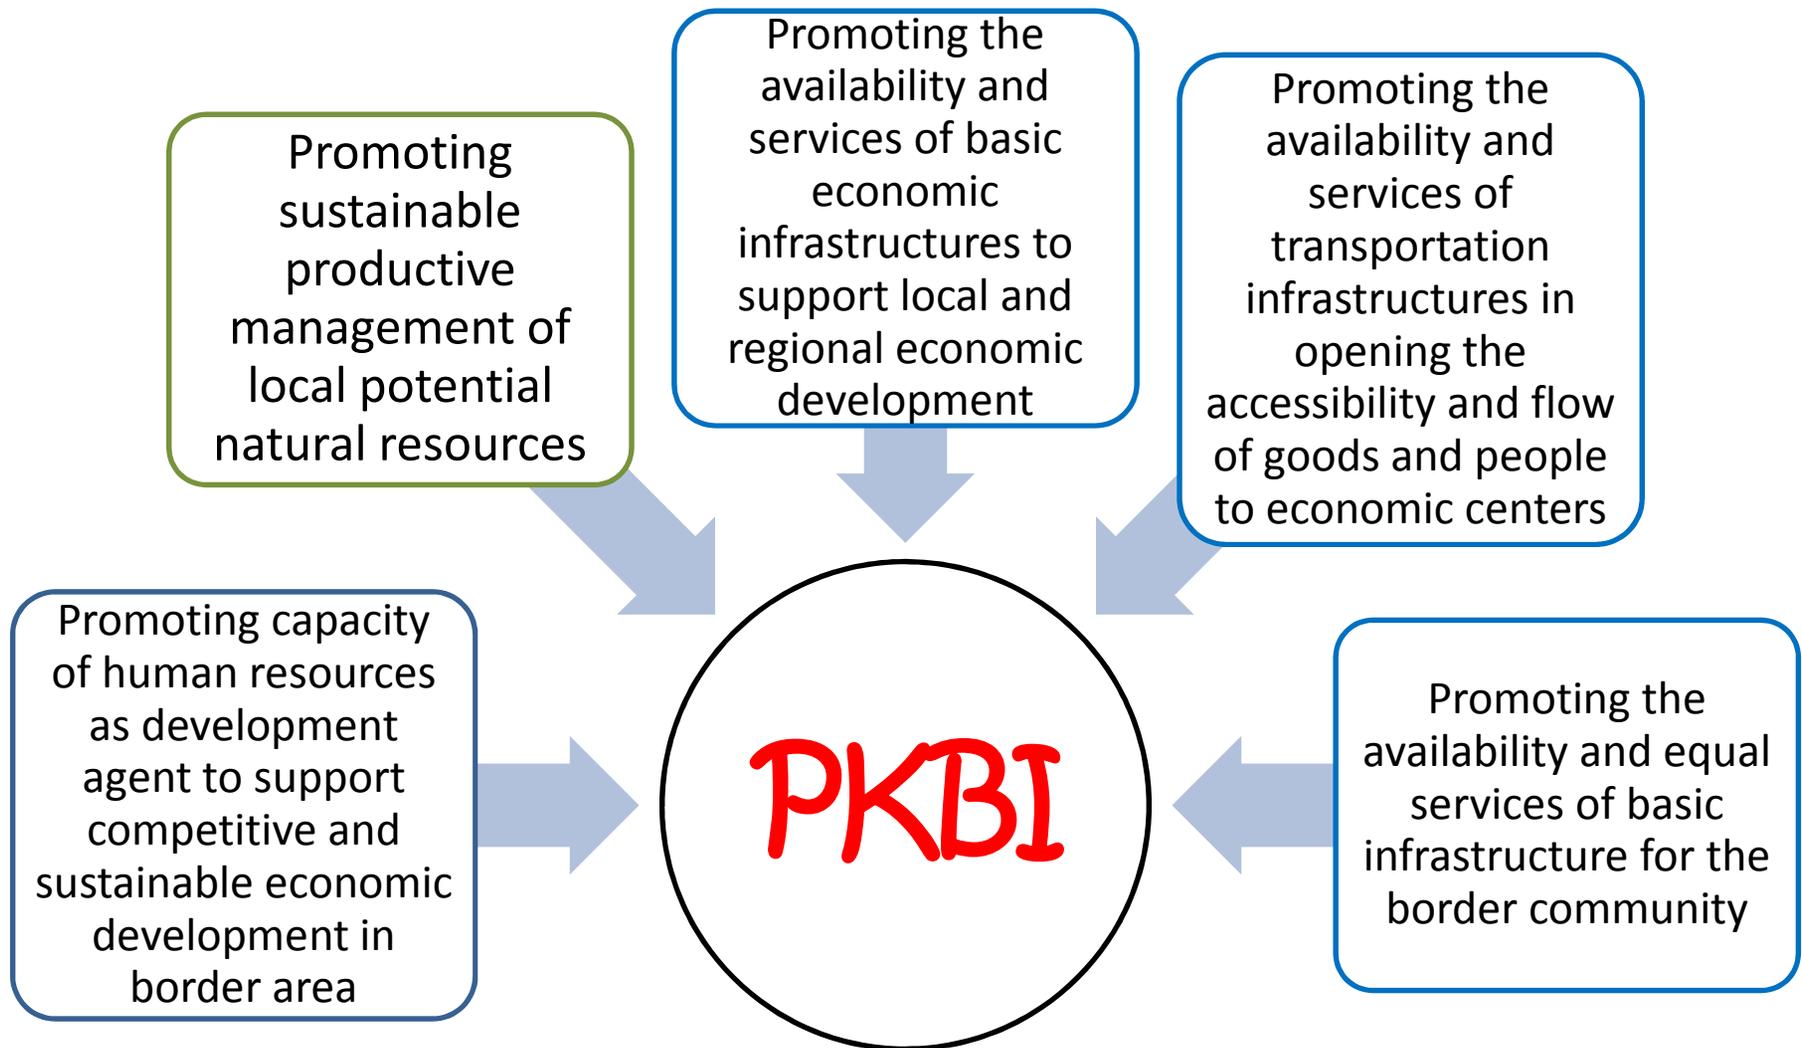

**Jakarta, January 2016**

# 5 PRIORITY PROGRAMS OF SPECIAL REGION

- 1. DEVELOPMENT OF BORDER AREA AS THE NATION FRONTYARD REGION (PENGEMBANGAN KAWASAN BERANDA INDONESIA)**, to promote “save villages” in border area by developing villages and rural area self-reliance in border area to be more competitive and safer as the national development priority regions as well as the security belt of the national sovereignty.
- 2. DEVELOPMENT OF EMPOWERED SMALL ISLANDS (PENGEMBANGAN PULAU KECIL BERDAYA)**, to promote and empower small and outer islands as well as their surrounding hinterlands by prioritizing local potential resources to be further developed sustainably.
- 3. DEVELOPMENT OF DISASTER RESILIENCE REGION (PENGEMBANGAN DAERAH TANGGUH BENCANA)**, to promote the capacity of regional and local governments in managing disaster, particularly in promoting more self-resilience and sustainable disaster risk reduction by the local governments.
- 4. DEVELOPMENT OF FOOD RESILIENCE REGION (PENGEMBANGAN DAERAH TANGGUH PANGAN)**, to increase local government capacity and community resilience in promoting local food resilience by optimizing local potential commodities and competitive advantagement of the local potential commodities.
- 5. DEVELOPMENT OF CONFLICT RESILIENCE REGION (PENGEMBANGAN DAERAH TANGGUH KONFLIK)**, to increase local government capacity in promoting peace of the conflict-prone region, and in accelerating the recovery process of the post-conflict region towards a sustainable peaceful region.

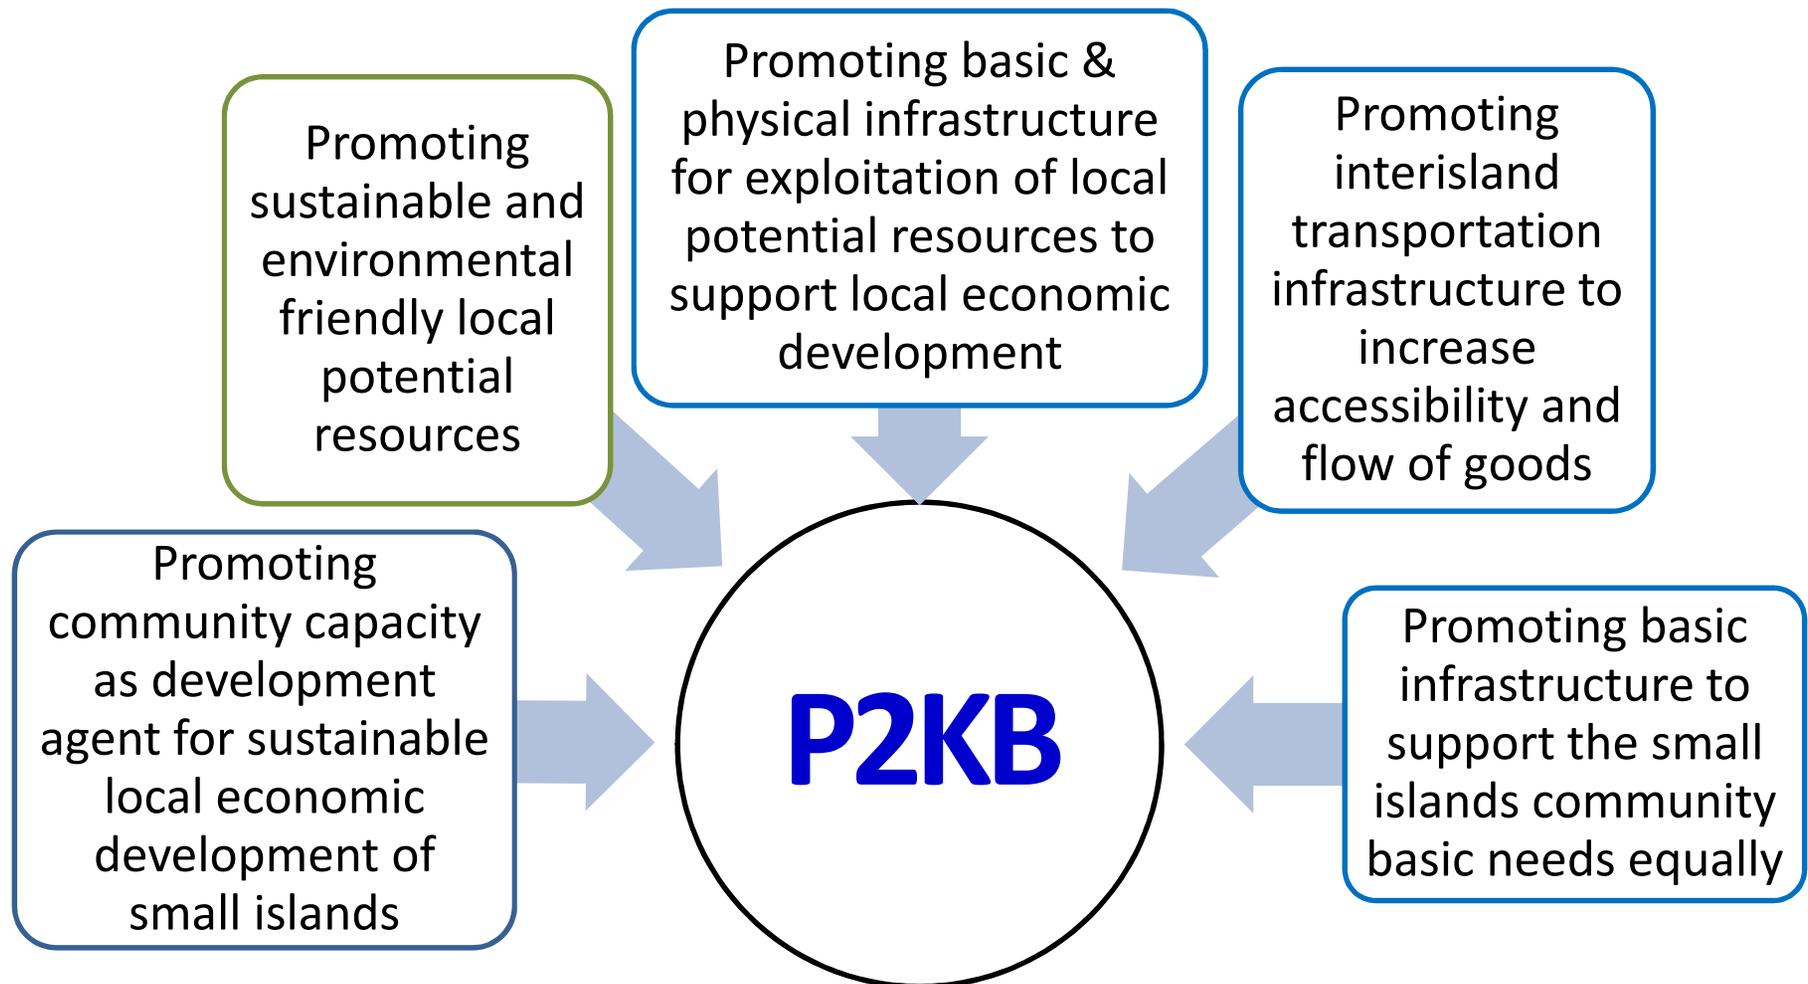

# BORDER AREA AS NATION FRONT YARD (PKBI)

Promoting border area as nation front yard to strengthen national sovereignty, competitive, and safe for development

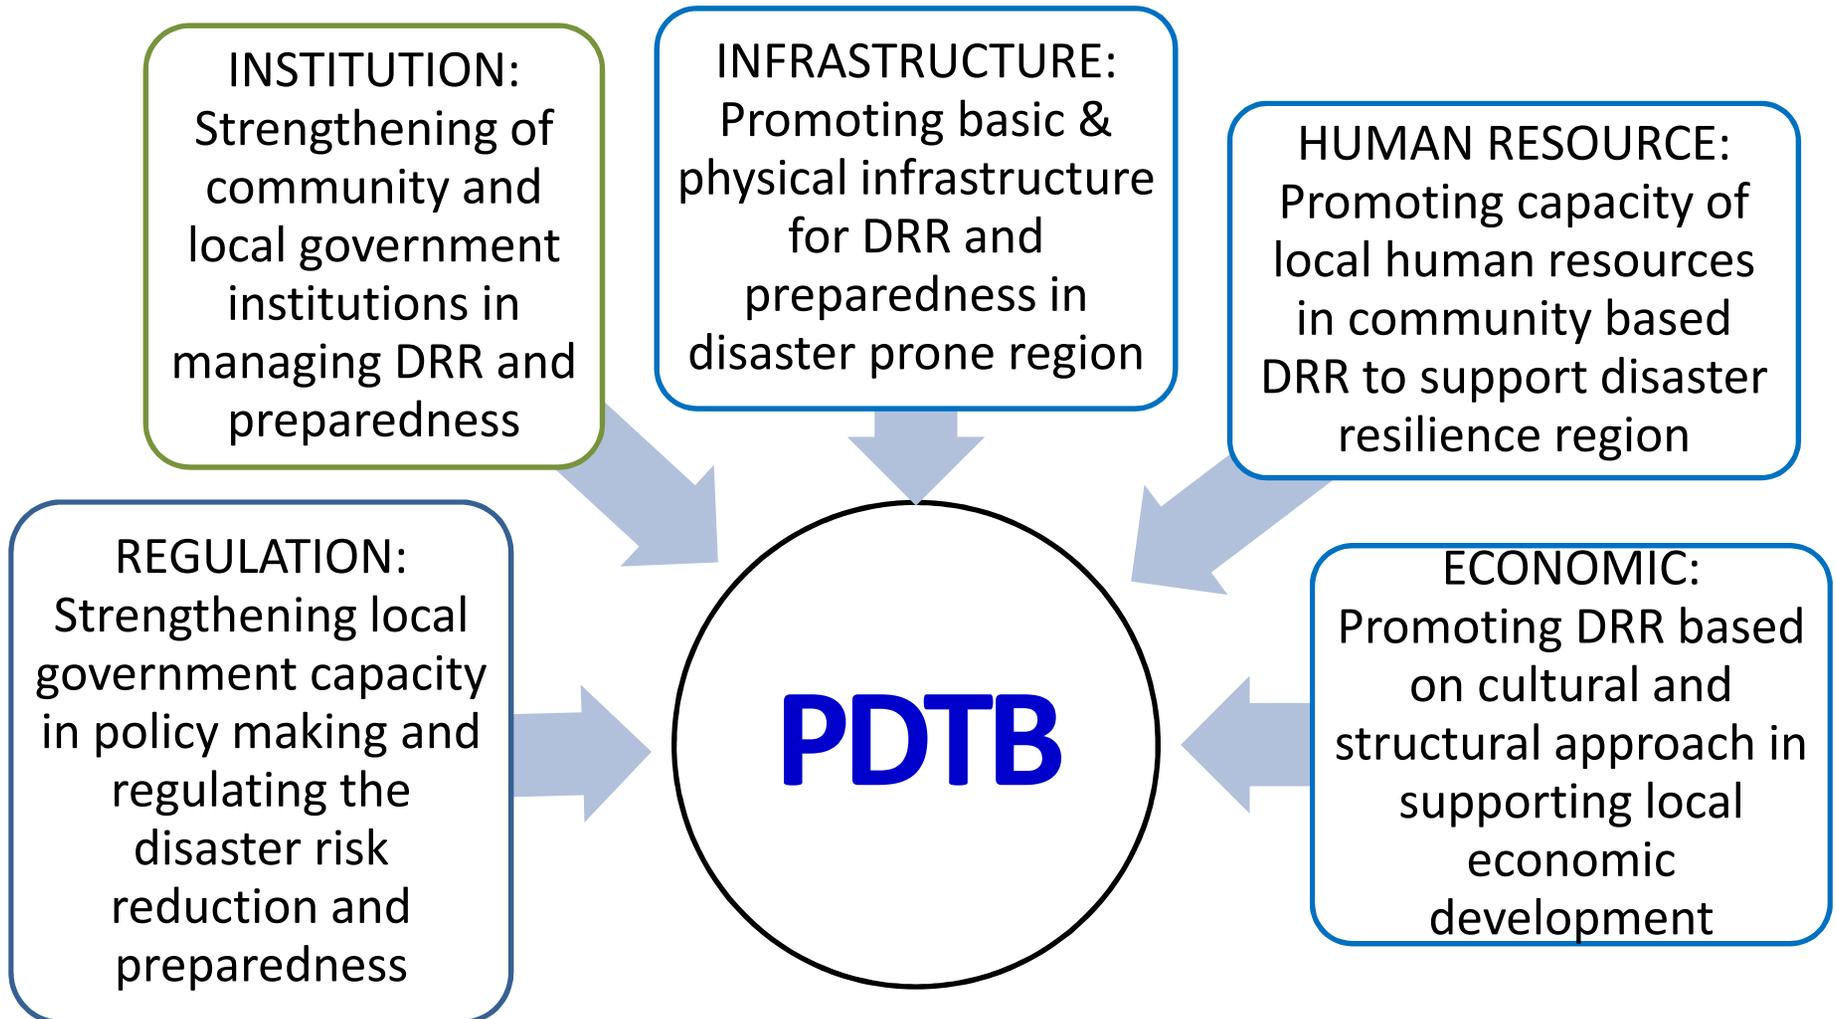

# EMPOWERED SMALL ISLANDS DEVELOPMENT (P2KB)

Promoting sustainable local potential resources by provision of basic infrastructure and capable human resources in supporting local economic development in small islands

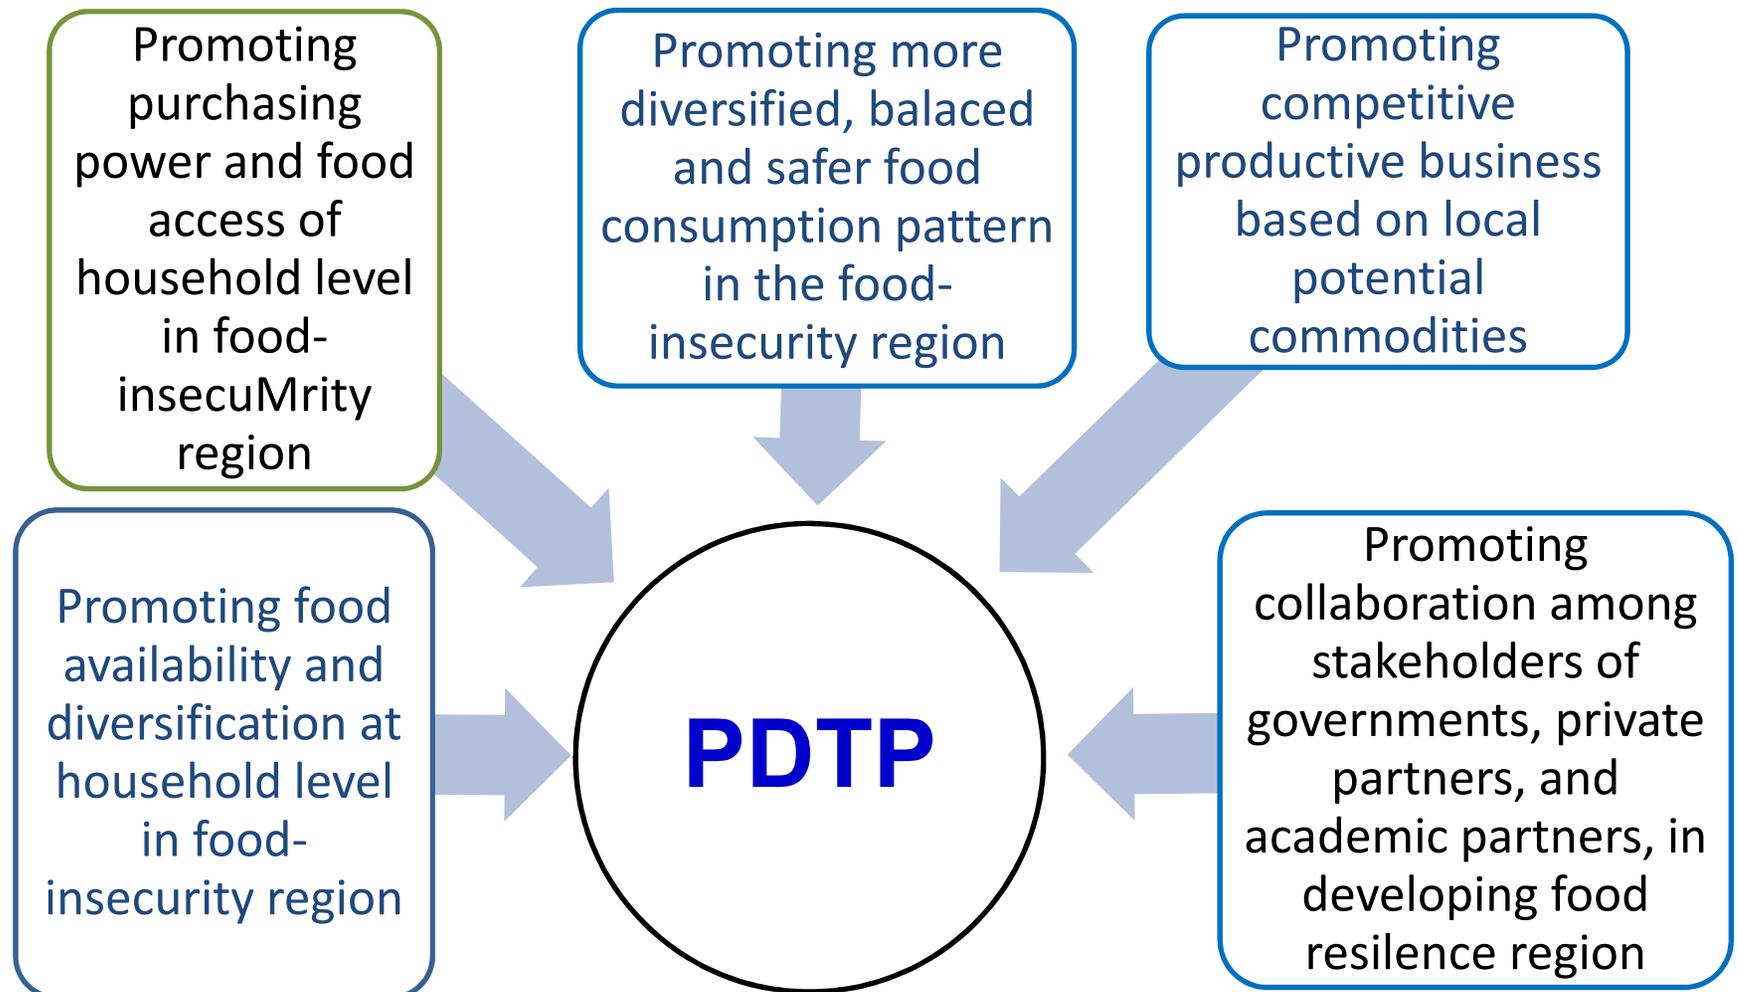

# DISASTER RESILIENCE REGION (PDTB)

Reducing disaster hazard and vulnerability at the community level, local government level, and strengthening community and local capacity in disaster risk reduction and preparedness

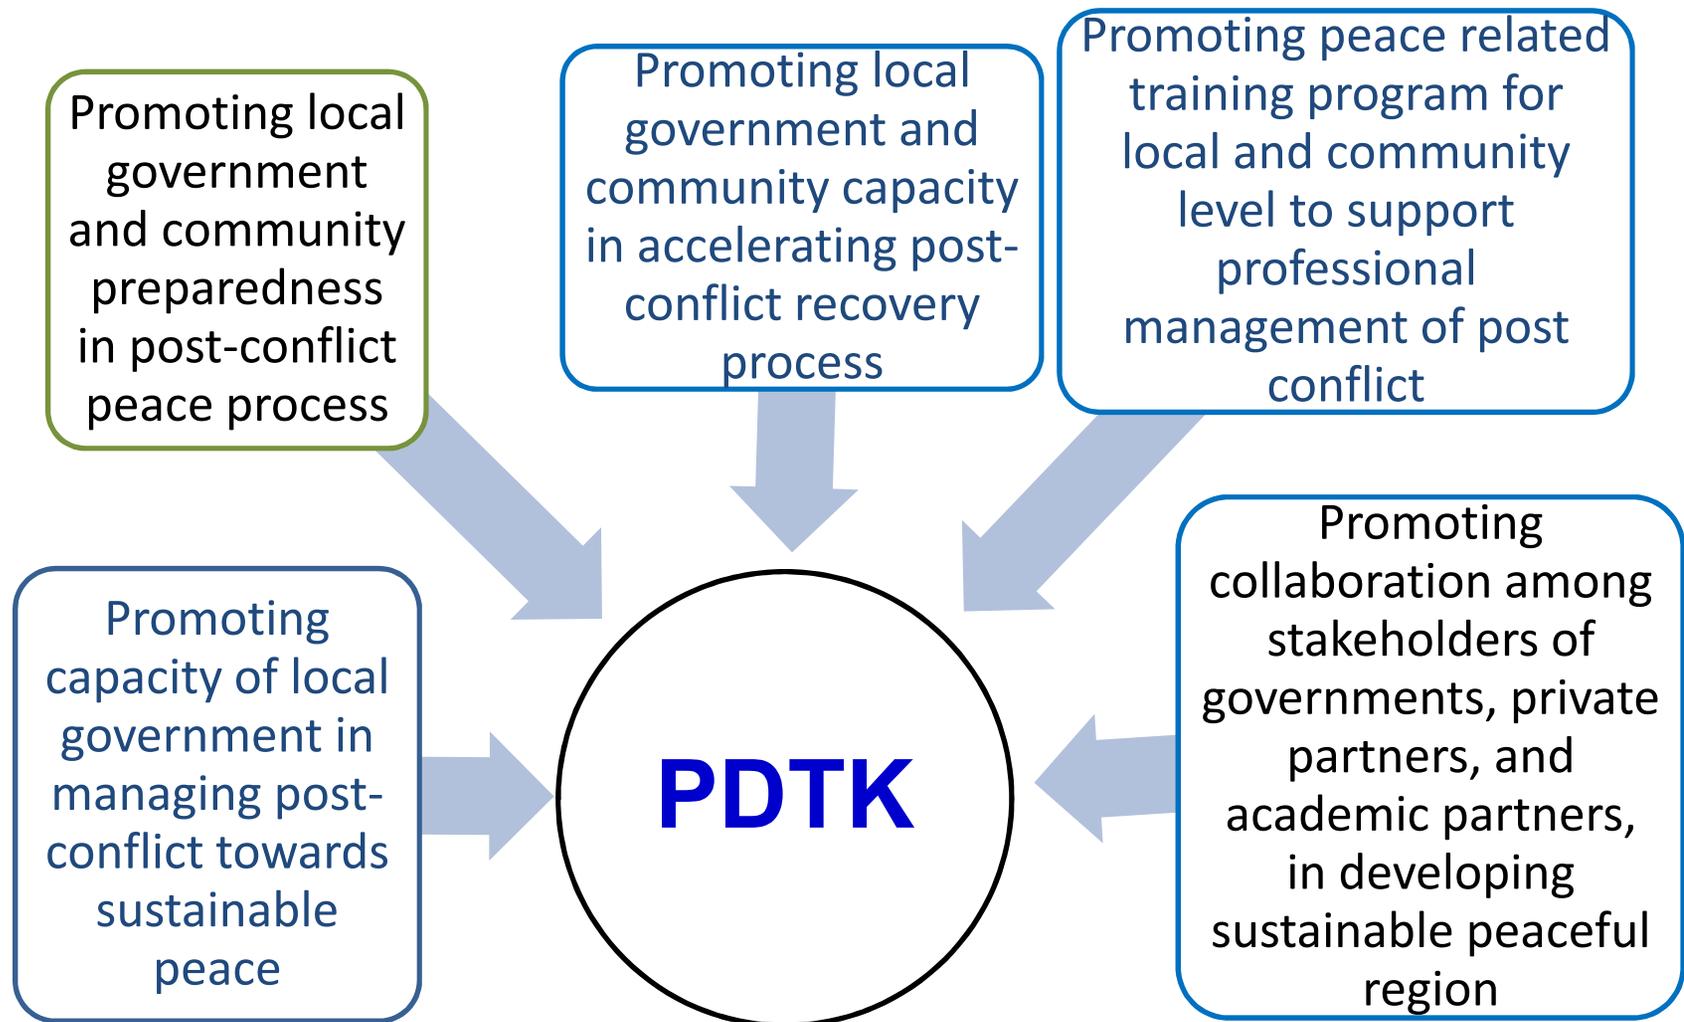

# DEVELOPMENT OF FOOD RESILIENCE REGION (PDTP)

Promoting self-sustained food availability, security, distribution, and diversification in the food-insecurity region

# DEVELOPMENT OF CONFLICT RESILIENCE REGION

Promoting resilience in conflict prone region, and promoting the acceleration of post-conflict recovery towards a better peaceful condition in the region

**THANK YOU**
